

San Pablo Avenue

Streetscape Improvements

HIGHWAY 111 TO FRED WARING DRIVE

Week of July 15-July 19

CONSTRUCTION NOTICE

Construction Activities

Over the next week, crews will work between Highway 111 and Fred Waring Drive on the following activities:

- Tree Removal
- Pothole for Utilities
- Place Hot Asphalt Pavement for Traffic Switch
- Reconstruct Storm Drain System

What to Expect

San Pablo Avenue will be reduced to **ONE lane** in **EACH DIRECTION**.

San Pablo Avenue traffic will be placed in the **CENTER MEDIAN**.

Flagmen will assist with traffic control.

Driveways will remain **OPEN**.

Parking spaces along San Pablo will remain accessible.

Work may be noisy due to construction equipment moving on- and off-site, equipment back-up alarms, and other construction related noise.

Water trucks and street sweepers will be on-site and used to minimize dust/debris during working hours.

Emergency Services access will be maintained.

Note: Construction activities schedules and closures are subject to change without notice.

Tips During Construction

Plan Ahead! It is recommended to schedule your activities or appointments ahead of time.

Pedestrians and Cyclist: Please be extra cautious and remember to look both ways before crossing the street.

Safety is our top priority for the public and the project team. Please Use caution near the project area.
