

San Pablo Avenue

Streetscape Improvements

CONSTRUCTION NOTICE
UPDATE: August 14-16, 2019

Construction Activities

Over the next two weeks, crews will work between Highway 111 and Fred Waring Drive on the following activities:

- Place Hot Asphalt Pavement
- Continue Storm Drain System
- Temporary Traffic Pattern
- Tree Removal
- Potholing for Utilities
- Survey

What to Expect

San Pablo Avenue is reduced to ONE lane in EACH DIRECTION.

Work may be noisy due to construction equipment moving on- and off-site, equipment back-up alarms, and other construction related noise.

Water trucks and street sweepers will be on-site and used to minimize dust/debris during working hours.

Emergency Services access will be maintained.

Friday, August 16 - Thursday, August 29: UPDATE Temporary Traffic Pattern

UPDATE: On Friday, August 16, crews will begin relocating cones and signage in order to move traffic to the East Side of San Pablo Avenue.

Diagonal parking spaces along San Pablo Avenue will be removed. Parking is available in the back of the businesses, in the front parking lots or on the side streets.

Driveways for residents and businesses will remain OPEN.

Sidewalks on the West Side of San Pablo will be CLOSED. Use the sidewalk on the East Side of San Pablo Avenue. Signage will be posted.

UPCOMING LONG-TERM TRAFFIC PATTERN:

On Thursday, August 29, 2019 (tentative schedule), traffic will be placed in the middle of San Pablo Avenue for approximately three months.
